Last time we had several winners. Michael Arwe, Andy Bartholomew, Bob Carey, Laura Conti, Linda Doucette, Michelle Kingdon, Joe Larocca (who wondered why his family name is in the painting), Erin Schroeder and Marcie Troisi guessed it's a painted utility box at the rotary. The artist is Summit Ave. resident Meghan Sheehan. See last week's to refresh your memory.

A graduate of Tufts, Frank has taught photography at many institutions and traveled the world to take photos for various publications. His yard on Pond Street backs up to Horn Pond and he frequently displays nature photos on the Facebook Friends of Horn Pond group. Check him out at https://franksiteman.com/work.
